

WAIVER AND RELEASE

AUTOMATIC TRANSMISSION SERVICE

We strongly recommend that automatic transmission service should not be performed on this vehicle. We will perform an automatic transmission service on this vehicle at the customer's request ONLY if the customer signs this waiver and release.

I acknowledge and fully understand that performing automatic transmission service on my vehicle may cause damage to the transmission. I was informed of this fact, and I willingly requested Jiffy Lube to service the transmission. I hereby agree that I will not hold Jiffy Lube responsible for any damage caused by any transmission service performed on my vehicle. I hereby fully release Jiffy Lube from any claims by me or others on my behalf, and hereby waive any rights to make any claims against Jiffy Lube, for any damage to my motor vehicle caused by any transmission services performed on my vehicle.
